Share your CT experience with a friend and you could get either a \$100 or a \$50 credit on your CT account!

Here's how it works:

1. Simply fill out the referral coupon below with your contact information.
2. Talk to your friend about CT's great Internet, Phone, & digital TV service and give them the referral coupon. Be sure to let them know the completed coupon must be submitted to CT at the time they sign up for CT service.
3. Once your friend has had their CT service for two months, we will apply the referral credit to your CT account.

It's that simple! Plus, your friend can take advantage of CT's competitive pricing and great promotional offers for their new service. If your friend signs up for an HD Premium Bundle, you'll get a \$100 credit. If they choose any other CT service, we'll give you a \$50 credit.
